# PURCHASE AGREEMENT AND BILL OF SALE

Seller and buyer agree to abide by all Auction Company policies, which are incorporated herein, and all decisions of management.

Seller and Buyer each appoint Auction Company as their agent and legal representative for the purpose of processing this transaction through Auction Company, including transfer of title, however, they agree Auction is merely performing an auction service and Auction Company disclaims all express and implied warranties, including merchantability and fitness, except for the warranty of title described below.

Seller and buyer indemnify and hold Auction Company harmless from any liability, loss, costs, damage or expense, including attorney's fees which arise directly or indirectly from this transaction, including, but not limited to, all matters relating to odometer mileage, odometer mileage disclosure and vehicle history even if Seller and Buyer are not at fault.

Buyer agrees that he has examined the vehicle described on reverse side and accepts it in its present condition; he also agrees that the title and ownership of said vehicle, with all of its equipment, shall remain in Seller, or Auction Company if it has paid Seller, until any check or draft given for the Sale Price of said vehicle or any part of the same, has been honored and paid in full. However, on delivery of this vehicle to Buyer, he shall assume all liability of damage or destruction of the same. Buyer further agrees to honor payment of any check or draft immediately when presented to his bank for payment. And under no circumstances will stop payment for any reason whatsoever unless approved by authorized representative of Auction Company. Then if approved, Buyer is to return vehicle at his expense to place of purchase. Buyer agrees to hold Auction Company harmless for and to indemnify it against any loss, including attorneys fees, as a result of a Buyer's check or draft being dishonored by the bank upon which it is drawn for any reason whatsoever. Should Buyer's check or draft be dishonored, in addition to the above, Buyer shall pay Auction Company interest at a rate of 1.5% per month on any amount outstanding.

Auction Company, in accordance with the below terms and conditions, guarantees to Buyer that the vehicle described is not stolen or mortgaged at the time of this sale.

1. This warranty of title does not cover mere technical defects which can be removed by execution and delivery to buyer or prior owners, or legally required papers without the necessity of any monetary payment.

2. Auction company's liability under its warranty of title of the vehicle, the subject of this transaction, shall never exceed the sale price of said vehicle in this transaction, and the maximum amount of Auction Company's liability under its said warranty shall be reduced by deducting from said sale price 2% thereof on the first of each month following the date of this transaction, and all liability of Auction Company will expire and terminate on the first day of the forty-eighth month after the date of this transaction.

3. Auction Company's warranty of title is expressly limited to Buyer and said warranty is not negotiable or transferable.

4. Auction Company's warranty of title is void ab initio if the purchase price for the vehicle is not paid by Buyer.

5. This warranty of title does not protect against defects in the title known to Buyer whether listed as exceptions to the title on this instrument or not.

6. Whenever any claim is made by any person against the title of said vehicle, whether by suit or otherwise, Buyer shall within five days after becoming aware of said claim notify Auction Company, giving full particulars of the claim, and shall cooperate fully in defending any legal action and in taking any other steps to minimize possible loss.

7. On payment of any claim under this warranty of title, Buyer will execute all necessary papers subrogating its right to recover against Seller, or others, to Auction Company.

8. Buyer shall not surrender possession of the vehicle, except as required by legal process, to any such claimant, nor shall it voluntarily pay or acknowledge the validity of any such claim, without the prior approval of Auction company.

9. Time is of the essence of this agreement and any failure on the part of Buyer to notify Auction Company of such claim shall vitiate Auction Company's liability under this warranty of title. Likewise, failure of Buyer to cooperate in defending any such claim shall relieve Auction Company of liability under this warranty of title.

If Auction Company makes a claim as a result of this transaction against Seller, Buyer or their agents or employees, Auction Company shall recover reasonable attorney's fees in an amount not less than 25% of the amount of the claim, regardless of whether suit is filed, including appellate fees and costs.
